MLK WEEK COMMEMORATION

The commemoration of the MLK Day of Service is a call to act on his legacy of social justice and equity and recommit ourselves as citizens by volunteering in service to others. We can strengthen ties to our communities and one other through these efforts while addressing critical issues that divide us. Use the AmeriCorps Volunteer Search to find a volunteer opportunity near you and highlight your MLK Day of Service via social media using the hashtags #MLKDay, #WordsMatterActionsMatter, and #UnitedWeServe.

Please join us on January 19 at Psychiatry Faculty Meeting at 10am. Zoom link to follow

All staff, residents, fellows, and faculty are invited to attend.

We will present department DEI survey results and share DEI updates occurring in our department and across the medical school. We will share information about a new training “Understanding Systemic Racism” that is launching soon across the medical school.
